

**NOTICE TO INDUSTRY**  
**OPERATING MARGINS GAS REPROFILING**  
**6<sup>TH</sup> APRIL 2020**

Dear Industry Colleague,

National Grid Gas Transmission wish to confirm that the Operating Margins Gas Reprofitting activity will be conducted during May 2020. This is in accordance with our licence obligation Special Condition 8C, Section K of Uniform Network Code, and subsequent Modification 605s, Due to a lower volume requirement we will utilise an appropriate market trading mechanism instead of conducting an electronic tender exercise.
