

The Statement of Gas Transmission Connection Charging

2024 Annual Review & Informal Consultation

Richard Hounslea
Gas Connections Manager

Connection Charging Statement – Annual Review

- Standard Condition 4B of National Gas Transmission's Gas Transporter Licence requires us to conduct a review of NTS Connection Charges at least once per year.
- The last review was carried out in early 2023 and the revised Connection Charging Statement published on 7th March 2023.
- The proposed changes to the Statement are explained in this presentation as well as the expected timeline.
