

04 March 2024

Notice of Implementation – The Statement of Gas Transmission Connection Charges to be effective as of 31 March 2024

Following our Annual Review & Informal Consultation for The Statement of Gas Transmission Connection Charging, we can confirm in relation to;

Question 1, *“Do you support the proposed changes to the Statement for Gas Transmission Connection Charging as outlined in the Informal Consultation?”* Two responses were received. Of those responses, two neither supported nor opposed the changes.

Question 2, *“Are there areas not within the scope of this 2024 Informal Consultation that you would like to see considered for a future Informal Consultation?”* Two responses were received.

Where consent for public disclosure of a response has been given by the respondent, it has been published on our website via the link below. We will consider the responses in a further review of the Statement for Gas Transmission Connection in due course.

Revision 14 of Statement of Gas Transmission Connection Charges includes the following changes;

1. Proposed New Application Fees for;
 - ‘Contract Novation Application Fee’ of £950
 - ‘Amendment & Restatement Application Fee’ of £1,950
2. Formatting and consistency changes where required.

National Gas Transmission hereby gives notice to implement the changes consulted upon to the Statement of Gas Transmission Connection Charges with effect from 31 March 2024.

Revision 14 will be available on the National Gas website at:
