

Operational News: New Subscription Service

Operational News: New Subscription Service

- An email subscription service exists for Gas Transmission Operational News.
- Subscribers to the old Gas Transmission Operational News service have recently been contacted via email requesting that they re-subscribe to the subscription service, if desired, and have been provided a link to do so.
- If you would like to receive news alerts via email, please register for our new service via the link below;
 - <http://eepurl.com/AzGjf>

Operational News: New URL

- The URL for our Transmission Operational News page is changing to;
<http://www.nationalgrid.com/uk/Gas/Data/Transmission+Operational+News/>
- The new page will be available from 11th July 2013.
- For any queries contact:
 - Gasoperations.Shipperliaison@nationalgrid.com; or
 - 01926 656568
