Dear Colleagues

CONFIRMATION: INDICATIVE NTS CHARGES TO APPLY FROM 1 OCTOBER 2011

In our recent indicative notice of Transportation charges to apply from 1st October 2011 issued on the 4th May 2011 we mentioned that we would inform users of the impact of the Authority's decision on a possible Income Adjusting Event associated with incremental entry capacity at Fleetwood.

The Authority has determined that there has not been an Income Adjusting Event. The decision letter can be found using the following link:

<http://www.ofgem.gov.uk/Pages/MoreInformation.aspx?docid=72&refer=Networks/Trans/GasTransPolicy>

We can therefore confirm following the publication of this decision, all indicative charges will remain unchanged and as per the original indicative notice.

If you have any questions about this notice or NTS charges in general, please contact Karin Elmhirst (01926 655540) or Damian Clough (01926 656416).

Yours faithfully
