

21st December 2007

Dear Colleague,

Charges from 1st April 2008

Agreement (Alternative) and General Conditions of Contract for:

- **The Provision and Maintenance of New/Replacement Metering Equipment.**
- **The Provision and Maintenance of Legacy Metering Equipment.**

In accordance with the terms set out in the above Agreements, I attach schedules showing National Grid's revised metering charges that will become effective from 1st April 2008. These schedules include tables from the Agreements that have been reproduced and updated to include the RPI increase as set out in the Agreements.

In general, the revised rental charges effective from 1st April 2008 incorporate an increase of 4.1% in respect of inflation (RPI). The rental charges for credit meters are £12.20 per annum for a legacy 1 meter and £12.73 per annum for a replacement meter. The rental charge for a prepayment meter (Legacy 1) is £32.92 per annum.

The revised charges will be displayed on National Grid's Internet site (<http://www.nationalgrid.com/uk/metering>) by the end of December 2007. If you have any questions about the new charges please send an email to metcom@uk.ngrid.com for the attention of Stewart Love.

Yours sincerely,

Linda Ryan
Business Operations Director
