ANS – overview

■ Scope:-

- Replace the old, unsupported ANS service with an improved more ***flexible*** replacement.

Benefits include:-

- Facility to maintain own contact details.
- SMS and Email Communication.
- 24/7 Supported System.
- Sept / Oct Implementation Plan

Next steps:- UKLINK Committee update.

High Level Timeline

Months	Apr-14	May-14	Jun-14	Jul-14	Aug-14	Sep-14	Oct-14
Customer Engagement							
Design							
Internal Tests							
User Trials							
Eternal Testing							
Implementation							

The project are current planning towards a proposed implementation date prior to 'Emergency Test Exercise' in September-14.

We will aim to run alongside current ANS service during this exercise.
