# Gemini & Gemini Exit Annual Disaster Recovery Test

## 5<sup>th</sup> & 6<sup>th</sup> July 2014

**Russ Thornley**  
Infrastructure Officer, Xoserve IS Operations

# Gemini DR Test 2014

- Annual test to prove Gemini disaster recovery capabilities and procedures
- Plans and a framework for communications are in place
- Communications will be issued at regular intervals (also via ANS) to provide updates

- There will be a service outage during the following times:

Gemini & Gemini Exit – Saturday 05<sup>th</sup> July 2014, 04:15 to 08:30hrs.

Should it be necessary to failback to the primary site, the outage window will be extended to 12:30

Gemini & Gemini Exit – Sunday 06<sup>th</sup> July 2014, 04:00 to 08:30hrs. Should there be issues failing back to the primary site, the outage window will be extended to 12:00
