22 July 2015

Dear Paul,

Notice of MSEC and DSEC Reserve Prices and Rolling Monthly and Rolling Day Ahead Reserve Prices for Capacity used from 1 November 2015

Following Ofgem's decision to implement UNC Modification MOD501V – 'Treatment of Existing Entry Capacity Rights at the Bacton ASEP to comply with EU Capacity Regulations'. Entry Reserve Prices for Bacton UKCS and Bacton IP are given in this notice and this replaces the prices from 1 November 2015 for Bacton ASEP that were given in the notice published on 30 June 2015¹.

If you have any questions relating to this notice, or NTS charges in general, please contact myself or Karin Elmhirst on 01962 655540.

Yours sincerely,

Steve Fisher
Gas Capacity & Charging Development Manager
