V1.4				

## 5 PROCEDURE

### Standing Instruction

- **Shipper** to retrieve latest proforma of the CQSCP and SCCQ Statement

### Estimated Storage Curtailment Compensation Quantity

- **Shipper** to complete and submit to e-mail account by 04:00hrs on each Day that Storage Curtailment occurs to [sysop.centre.issues@uk.ngrid.com](mailto:sysop.centre.issues@uk.ngrid.com)

**Alternatively, fax the completed form to 01926656616, (though no responsibility can be accepted by National Grid or its Agents for transcription if non electronic proformas are received)**

- **National Grid** will, by 1700 on the first Business Day following the Day that Storage Curtailment occurs, advise each User that submits a SCCQ Statement of the amount payable. This will be sent to the originating email or fax address

### Actual Storage Curtailment Compensation Quantity

- **Shipper** to complete and submit CQSCP and SCCQ Statement containing actual quantities to e-mail account as soon as possible after the end of Day, no later than the entry close-out date
- **National Grid** will receive revised CQSCP and SCCQ Statement and submit by entry close out date to xoserve for invoicing c/w relevant charging / prices

### Storage Curtailment Reconciliation

- **National Grid** will calculate the Storage Curtailment Reconciliation Price following 30 consecutive days have passed where no Potential or Actual Network Gas Supply Emergency occurred
- **National Grid** will submit this price to xoserve for relevant payment or receipt to be made against the Actual Storage Curtailment Compensation Quantities submitted

End of Procedure
