

**Planning and Advanced Reservation of Capacity Agreement (PARCA)**

**PARCA NOTICE – WITHDRAWAL OF PARCA APPLICATION FOR KINGS LYNN B**

**1st October, 2018**

Dear Industry Colleague,

In accordance with the Uniform Network Code, Section B, National Grid Gas plc (National Grid) hereby publishes this notice to all interested industry parties.

National Grid Gas plc (“National Grid”) received a Planning and Advanced Reservation of Capacity Agreement (PARCA) application on 6th June 2017. The application achieved competency on 26th July 2017 for the previous owner of the site. The site was subsequently sold to a new owner. Following this, a revised PARCA application was received 17th November 2017. This new application achieved competency on 27th November 2017.

The application requested firm Enduring Annual NTS Exit (Flat) Capacity in excess of the prevailing baseline capacity level at the Kings Lynn B Power Station exit point. The application was consistent with the original application in terms of quantity of capacity and requested Registration Date, i.e.:

- 34,312,258 kWh/d from 1<sup>st</sup> April 2021
- 72,913,548 kWh/d from 1<sup>st</sup> April 2022

On 25<sup>th</sup> May 2018, National Grid issued a notice (“Kings Lynn B Power Station ExCS Informal Notice (including exit Substitution and Baseline Revision)”). The notice confirmed that the PARCA Phase 1 Works had been completed and that the PARCA application could be met.

National Grid is issuing this notice to confirm that the PARCA Applicant will not be continuing with the PARCA Application. As such, PARCA Phase Works 2 will not be progressed, no System Capacity will be reserved and there will be no Registration Date in respect of this PARCA Application.

PARCA related notices and the PARCA Customer Guidance document can be found at:
