PART III**CONTROL OVER DEVELOPMENT***Meaning of development*

 Law In Force

55.— Meaning of “development” and “new development”.

(1) Subject to the following provisions of this section, in this Act, except where the context otherwise requires, “development,” means the carrying out of building, engineering, mining or other operations in, on, over or under land, or the making of any material change in the use of any buildings or other land.

[(1A) For the purposes of this Act “building operations” includes—

- (a) demolition of buildings;
- (b) rebuilding;
- (c) structural alterations of or additions to buildings; and
- (d) other operations normally undertaken by a person carrying on business as a builder.

] ¹

(2) The following operations or uses of land shall not be taken for the purposes of this Act to involve development of the land—

- (a) the carrying out for the maintenance, improvement or other alteration of any building of works which—
 - (i) affect only the interior of the building, or
 - (ii) do not materially affect the external appearance of the building,
 and are not works for making good war damage or works begun after 5th December 1968 for the alteration of a building by providing additional space in it underground;
- (b) the carrying out on land within the boundaries of a road by a [...] ² highway authority of any works required for the maintenance or improvement of the road [but, in the case

of any such works which are not exclusively for the maintenance of the road, not including any works which may have significant adverse effects on the environment]³ ;

(c) the carrying out by a local authority or statutory undertakers of any works for the purpose of inspecting, repairing or renewing any sewers, mains, pipes, cables or other apparatus, including the breaking open of any street or other land for that purpose;

(d) the use of any buildings or other land within the curtilage of a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse as such;

(e) the use of any land for the purposes of agriculture or forestry (including afforestation) and the use for any of those purposes of any building occupied together with land so used;

(f) in the case of buildings or other land which are used for a purpose of any class specified in an order made by the Secretary of State under this section, the use of the buildings or other land or, subject to the provisions of the order, of any part of the buildings or the other land, for any other purpose of the same class.

[(g) the demolition of any description of building specified in a direction given by the Secretary of State to local planning authorities generally or to a particular local planning authority.]⁴

[(2A) The Secretary of State may in a development order specify any circumstances or description of circumstances in which subsection (2) does not apply to operations mentioned in paragraph (a) of that subsection which have the effect of increasing the gross floor space of the building by such amount or percentage amount as is so specified.

(2B) The development order may make different provision for different purposes.]⁵

(3) For the avoidance of doubt it is hereby declared that for the purposes of this section—

(a) the use as two or more separate dwellinghouses of any building previously used as a single dwellinghouse involves a material change in the use of the building and of each part of it which is so used;

(b) the deposit of refuse or waste materials on land involves a material change in its use, notwithstanding that the land is comprised in a site already used for that purpose, if—

(i) the superficial area of the deposit is extended, or

(ii) the height of the deposit is extended and exceeds the level of the land adjoining the site.

(4) For the purposes of this Act mining operations include—

(a) the removal of material of any description—

(i) from a mineral-working deposit;

(ii) from a deposit of pulverised fuel ash or other furnace ash or clinker; or

(iii) from a deposit of iron, steel or other metallic slags; and

(b) the extraction of minerals from a disused railway embankment.

[(4A) Where the placing or assembly of any tank in any part of any inland waters for the purpose of fish farming there would not, apart from this subsection, involve development of the land below, this Act shall have effect as if the tank resulted from carrying out engineering operations over that land; and in this subsection—

“fish farming” means the breeding, rearing or keeping of fish or shellfish (which includes any kind of crustacean and mollusc);

[59A Development orders: permission in principle

- (a) itself grant permission in principle, in relation to land in England that is allocated for development in a qualifying document (whether or not in existence when the order is made) for development of a prescribed description; or
 - (b) provide for the granting by a local planning authority in England, on application to the authority in accordance with the provisions of the order, of permission in principle for development of a prescribed description.
- (2) In this section—
- “prescribed” means prescribed in a development order;
- “qualifying document” means a document, as it has effect from time to time, which—
- (a) falls within subsection (3),
 - (b) indicates that the land in question is allocated for development for the purposes of this section, and
 - (c) contains prescribed particulars in relation to the land allocated and the kind of development for which it is allocated.
- (3) The following documents fall within this subsection—

 - (c) a neighbourhood development plan within the meaning given by section 38A of the 2004 Act.
- (4) Permission in principle granted by a development order takes effect—
- (a) when the qualifying document takes effect, if the land in question is allocated for development in the document at that time;
 - (b) otherwise, when the qualifying document is revised so that the land in question is allocated for development.
- But a development order may provide that, if the local planning authority so directs, permission in principle does not take effect until the date specified by the local planning authority in the direction.
- (5) For the purposes of subsection (4)(a)—
- (a) a register maintained in pursuance of regulations under section 14A of the 2004 Act takes effect when it is first published;

- (b) such other period (whether longer or shorter) beginning with that date as the local planning authority may direct.
- (8) Permission in principle granted by a local planning authority ceases to have effect on the expiration of—

- (11) In exercising a power of direction conferred by virtue of subsection (4), or conferred by subsection (7)(b) or (8)(b), a local planning authority must have regard to the provisions of the development plan and any other material considerations.
- (12) In exercising any other function exercisable by virtue of this section, or in exercising any function in relation to an application for planning permission for development of land in respect of which permission in principle has been granted, a local planning authority must have regard to any guidance issued by the Secretary of State.
- (13) In relation to an application for permission in principle which under any provision of this Part is made to, or determined by, the Secretary of State instead of the local planning authority, a reference in subsection (1) or (8) to a local planning authority has effect (as necessary) as a reference to the Secretary of State.

**[76D Deciding applications made under section 62A**

(1) An application made to the Secretary of State under section 62A (“a direct application”) is to be determined by a person appointed by the Secretary of State for the purpose instead of by the Secretary of State, subject to section 76E.

(2) Where a person has been appointed under subsection (1) or this subsection to determine a direct application then, at any time before the person has determined the application, the Secretary of State may—

- (a) revoke the person's appointment; and
- (b) appoint another person to determine the application instead.

(3) A person appointed under this section to determine an application for planning permission [or permission in principle]² made to the Secretary of State under section 62A has the same powers and duties that the Secretary of State has under section 76C.

(4) Where a direct application is determined by a person appointed under this section, the person's decision is to be treated as that of the Secretary of State.

(5) Except as provided by Part 12, the validity of that decision is not to be questioned in any proceedings whatsoever.

(6) It is not a ground of application to the High Court under section 288 that a direct application ought to have been determined by the Secretary of State and not by a person appointed under this section unless the applicant challenges the person's power to determine the direct application before the person's decision on the direct application is given.

(7) Where any enactment (other than this section and section 319A)—

- (a) refers (or is to be read as referring) to the Secretary of State in a context relating to or capable of relating to an application made under section 62A (otherwise than by referring to the application having been made to the Secretary of State), or
- (b) refers (or is to be read as referring) to anything (other than the making of the application) done or authorised or required to be done by, to or before the Secretary of State in connection with any such application,

then, so far as the context permits, the enactment is to be read, in relation to an application determined or to be determined by a person appointed under this section, as if the reference to the Secretary of State were or included a reference to that person.

- (b) subject to that, the provisions of the planning Acts which are relevant to the application apply to it as if section 76D had never applied to it.

 Law In Force

109.— Apportionment of compensation for depreciation.

(1) Where compensation becomes payable under section 107 which includes compensation for depreciation of an amount exceeding £20, the local planning authority—

- (a) if it appears to them to be practicable to do so, shall apportion the amount of the compensation for depreciation between different parts of the land to which the claim for that compensation relates; and
- (b) shall give particulars of any such apportionment to the claimant and to any other person entitled to an interest in land which appears to the authority to be substantially affected by the apportionment.

(2) In carrying out an apportionment under subsection (1)(a), the local planning authority shall divide the land into parts and shall distribute the compensation for depreciation between those parts, according to the way in which different parts of the land appear to the authority to be differently affected by the order or, in a case falling within section 108, the relevant planning decision, in consequence of which the compensation is payable.

(3) Regulations under this section shall make provision, subject to subsection (4)—

- (a) for enabling the claimant and any other person to whom particulars of an apportionment have been given under subsection (1), or who establishes that he is entitled to an interest in land which is substantially affected by such an apportionment, if he wishes to dispute the apportionment, to require it to be referred to the [Upper Tribunal]¹ ;
- (b) for enabling the claimant and every other person to whom particulars of any such apportionment have been so given to be heard by the Tribunal on any reference under this section of that apportionment; and
- (c) for requiring the Tribunal, on any such reference, either to confirm or to vary the apportionment and to notify the parties of the decision of the Tribunal.

(4) Where on a reference to the [Upper Tribunal]¹ under this section it is shown that an apportionment—

- (a) relates wholly or partly to the same matters as a previous apportionment, and
- (b) is consistent with that previous apportionment in so far as it relates to those matters,

the Tribunal shall not vary the apportionment in such a way as to be inconsistent with the previous apportionment in so far as it relates to those matters.

(5) On a reference to the [Upper Tribunal]¹ by virtue of subsection (3), subsections (1) and (2), so far as they relate to the making of an apportionment, shall apply with the substitution, for references to the local planning authority, of references to the [Upper Tribunal]¹ .

(6) In this section and in [section 110]² —

“compensation for depreciation” means so much of any compensation payable under section 107 as is payable in respect of loss or damage consisting of depreciation of the value of an interest in land,

“interest” (where the reference is to an interest in land) means the fee simple or a tenancy of the land and does not include any other interest in it, and

“relevant planning decision” means the planning decision [by which planning permission or permission in principle is refused, or by which planning permission is granted]³ subject to conditions other than those previously imposed by the development order [, the local development order [, the Mayoral development order]⁵ or the neighbourhood development order]⁴ .

(8) Except where the amount payable under subsection (6) is payable as a single capital payment, it shall be secured by the person by whom the development is to be carried out in such manner (whether by mortgage, covenant or otherwise) as the Secretary of State may direct.

(9) If any person initiates any [...] ¹ development to which section 111 applies in contravention of subsection (1) of that section, the Secretary of State may serve a notice on him—

(10) The period specified under subsection (9)(b) must not be less than three months after the service of the notice.

(d) in the case of a notice served on account of the modification of planning permission by such an order by the imposition of conditions, revoke or amend those conditions so far as appears to him to be required in order to enable the land to be rendered capable of reasonably beneficial use by the carrying out of the development in respect of which the permission was granted; or

- (b) on a claim made to the local planning authority within the prescribed time and in the prescribed manner, it is shown that the permitted development value of the interest in that land in respect of which the purchase notice was served is less than its [Schedule 3 value]¹

(3) If the planning permission mentioned in subsection (2)(a) would be granted subject to conditions for regulating the design or external appearance, or the size or height of buildings, or for regulating the number of buildings to be erected on the land, the Secretary of State may direct that in assessing any compensation payable under subsection (2) those conditions must be disregarded, either altogether or to such extent as may be specified in the direction.

(4) The Secretary of State may only give a direction under subsection (3) if it appears to him to be reasonable to do so having regard to the local circumstances.

Special provisions for requiring purchase of whole of partially affected agricultural unit

 Law In Force

145.— Counter-notice requiring purchase of remainder of agricultural unit.

(1) This section applies where—

- (a) an acquiring authority is deemed under this Chapter to have served notice to treat in respect of any agricultural land on a person (“the claimant”) who has a greater interest in the land than as tenant for a year or from year to year (whether or not he is in occupation of the land), and
- (b) the claimant has such an interest in other agricultural land (“the unaffected area”) comprised in the same agricultural unit as that to which the notice relates.

(2) Where this section applies the claimant may serve on the acquiring authority a counter-notice—

- (a) claiming that the unaffected area is not reasonably capable of being farmed, either by itself or in conjunction with other relevant land, as a separate agricultural unit; and
- (b) requiring the acquiring authority to purchase his interest in the whole of the unaffected area.

(3) Subject to subsection (4), “other relevant land” in subsection (2) means—

- (a) land which is comprised in the same agricultural unit as the land to which the notice to treat relates and in which the claimant does not have such an interest as is mentioned in subsection (1); and
- (b) land which is comprised in any other agricultural unit occupied by the claimant on the date on which the notice to treat is deemed to have been served and in respect of which he is then entitled to a greater interest than as tenant for a year or from year to year.

(4) Where a notice to treat has been served or is deemed under this Chapter or under Part III of the Compulsory Purchase (Vesting Declarations) Act 1981 to have been served in respect of any of the unaffected area or in respect of other relevant land as defined in subsection (3), then, unless and until the notice to treat is withdrawn, this section and section 146 shall have effect as if that land did not form part of the unaffected land or, as the case may be, did not constitute other relevant land.

(5) Where a counter-notice is served under subsection (2) the claimant shall also serve a copy of it on any other person who has an interest in the unaffected area (but failure to comply with this subsection shall not invalidate the counter-notice).

(6) A counter-notice under subsection (2) and any copy of that notice required to be served under subsection (5) must be served within the period of two months beginning with the date on which the notice to treat is deemed to have been served.

(7) This section is without prejudice to the rights conferred by sections 93 and 94 of the Lands Clauses (Consolidation) Act 1845 or section 8(2) and (3) of the Compulsory Purchase Act 1965 (provisions as to divided land).

(i) to have accepted the surrender of the lease at the expiry of one month after the date of the determination of the Tribunal or on such other date as the Tribunal may direct, and

(ii) to have agreed with the authority on the terms of surrender which the Tribunal has held to be reasonable.

(9) For the purposes of subsection (8) any terms as to surrender contained in the lease shall be disregarded.

(10) Where the lessor—

(a) refuses to accept any sum payable to him by virtue of subsection (8), or

(b) refuses or fails to make out his title to the satisfaction of the acquiring authority, they may pay into court any such sum payable to the lessor and section 9(2) and (5) of the Compulsory Purchase Act 1965 (deposit of compensation in cases of refusal to convey etc.) shall apply to that sum with the necessary modifications.

(11) Where an acquiring authority who become entitled to the lease of any land as mentioned in subsection (8) are a body incorporated by or under any enactment, the corporate powers of the authority shall, if they would not otherwise do so, include the power to farm that land.

[173.— Contents and effect of notice.

(1) An enforcement notice shall state—

- (a) the matters which appear to the local planning authority to constitute the breach of planning control; and
- (b) the paragraph of section 171A(1) within which, in the opinion of the authority, the breach falls.

(2) A notice complies with subsection (1)(a) if it enables any person on whom a copy of it is served to know what those matters are.

(3) An enforcement notice shall specify the steps which the authority require to be taken, or the activities which the authority require to cease, in order to achieve, wholly or partly, any of the following purposes.

(4) Those purposes are—

- (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land, by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
- (b) remedying any injury to amenity which has been caused by the breach.

(5) An enforcement notice may, for example, require—

- (a) the alteration or removal of any buildings or works;
- (b) the carrying out of any building or other operations;

- (c) any activity on the land not to be carried on except to the extent specified in the notice; or
- (d) the contour of a deposit of refuse or waste materials on land to be modified by altering the gradient or gradients of its sides.

(6) Where an enforcement notice is issued in respect of a breach of planning control consisting of demolition of a building, the notice may require the construction of a building (in this section referred to as a “replacement building”) which, subject to subsection (7), is as similar as possible to the demolished building.

(7) A replacement building—

- (a) must comply with any requirement imposed by any enactment applicable to the construction of buildings;
- (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control;
- (c) must comply with any regulations made for the purposes of this subsection (including regulations modifying paragraphs (a) and (b)).

(8) An enforcement notice shall specify the date on which it is to take effect and, subject to sections 175(4) and 289(4A), shall take effect on that date.

(9) An enforcement notice shall specify the period at the end of which any steps are required to have been taken or any activities are required to have ceased and may specify different periods for different steps or activities; and, where different periods apply to different steps or activities, references in this Part to the period for compliance with an enforcement notice, in relation to any step or activity, are to the period at the end of which the step is required to have been taken or the activity is required to have ceased.

(10) An enforcement notice shall specify such additional matters as may be prescribed, and regulations may require every copy of an enforcement notice served under section 172 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 174.

(11) Where—

- (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to cease, but does not do so; and
- (b) all the requirements of the notice have been complied with,

then, so far as the notice did not so require, planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

(12) Where—

- (a) an enforcement notice requires the construction of a replacement building; and
- (b) all the requirements of the notice with respect to that construction have been complied with,

planning permission shall be treated as having been granted by virtue of section 73A in respect of development consisting of that construction.

278.— Objections to orders under ss. 275 and 277.

- (1) For the purposes of sections 275 to 277, an objection to the making of an order shall not be treated as duly made unless—
- (a) the objection is made within the time and in the manner specified in the notice required by section 276 or, as the case may be, section 277; and
- (b) a statement in writing of the grounds of the objection is comprised in or submitted with the objection.
- (2) Where an objection to the making of such an order is duly made in accordance with subsection (1) and is not withdrawn, the following provisions of this section shall have effect in relation to it.
- (3) Unless the appropriate Minister decides without regard to the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, before he makes a final decision he—
- (a) shall consider the grounds of the objection as set out in the statement; and

(b) may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.

(4) In so far as the appropriate Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the appropriate Minister may treat the objection as irrelevant for the purpose of making a final decision.

(5) If—

(a) after considering the grounds of the objection as so set out, the appropriate Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates; or

(b) in a case where a further statement has been required, it is not submitted within the specified period,

the appropriate Minister may make a final decision without further investigation as to those matters.

(6) Subject to subsections (4) and (5), before making a final decision the appropriate Minister shall give the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the appropriate Minister.

(7) If the objector takes that opportunity, the appropriate Minister shall give an opportunity of appearing and being heard on the same occasion to the statutory undertakers, local authority or Minister on whose representation the order is proposed to be made, and to any other persons to whom it appears to him to be expedient to give such an opportunity.

(9) Where the appropriate Minister determines to cause such an inquiry to be held, any of the requirements of subsections (3) to (7) to which effect has not been given at the time of that determination shall be dispensed with.

(10) In this section any reference to making a final decision in relation to an order is a reference to deciding whether to make the order or what modification (if any) ought to be made.

(i) planning permission for that development would have been granted by a development order [or a local development order]¹ but for a direction given under such an order that planning permission so granted should not apply to the development; and

(ii) it is not development which has received specific parliamentary approval (within the meaning of section 264(6));

(b) in respect of any order under section 97, as modified by section 269, by which planning permission which was granted on the application of those undertakers for the development of any such land is revoked or modified.

- (c) where the compensation is under section 279(2) or (3), and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers or, as the case may be, the operator in complying with the requirement, reduced by the value after removal of the apparatus removed.

(3) In subsection (2) “the appropriate amount for loss of profits” means—

- (a) where a business adjustment is made, the aggregate of—
 - (i) the estimated amount of any decrease in net receipts from the carrying on of the undertaking or, as the case may be, [the provision of the electronic communications code network]² pending the adjustment, in so far as the decrease is directly attributable to the proceeding giving rise to compensation; and
 - (ii) such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking or, as the case may be, [the provision of the electronic communications code network]² in the period after the adjustment has been completed, in so far as the decrease is directly attributable to the adjustment;

(b) where no business adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking or, as the case may be, [the provision of the electronic communications code network]² which is directly attributable to the proceeding giving rise to compensation.

(4) Where a business adjustment is made, the aggregate amount mentioned in subsection (2) shall be reduced by such amount (if any) as appears to the [Upper Tribunal]³ to be appropriate to offset—

(a) the estimated value of any property (whether moveable or immoveable) belonging to the statutory undertakers or the operator and used for the carrying on of their undertaking or, as the case may be, [the provision of the electronic communications code network]² which in consequence of the adjustment ceases to be so used, in so far as the value of the property has not been taken into account under paragraph (c) of that subsection; and

(b) the estimated amount of any increase in net receipts from the carrying on of the undertaking or [the provision of the electronic communications code network]² in the period after the adjustment has been completed, in so far as that amount has not been taken into account in determining the amount mentioned in paragraph (b) of that subsection and is directly attributable to the adjustment.

(5) Where a business adjustment is made the aggregate amount mentioned in subsection (2) shall be further reduced by any amount which appears to the [Upper Tribunal]³ to be appropriate, having regard to any increase in the capital value of immoveable property belonging to the statutory undertakers or the operator which is directly attributable to the adjustment, allowance being made for any reduction made under subsection (4)(b).

(6) Where—

(a) the compensation is under section 279(4); and

(b) the acquiring or appropriating authority carry out the works,

then, in addition to any reduction falling to be made under subsection (4) or (5), the aggregate amount mentioned in subsection (2) shall be reduced by the actual cost to the authority of carrying out the works.

(7) References in this section to a decrease in net receipts shall be construed as references—

(a) to the amount by which a balance of receipts over expenditure is decreased;

(b) to the amount by which a balance of expenditure over receipts is increased; or

(c) where a balance of receipts over expenditure is converted into a balance of expenditure over receipts, to the aggregate of the two balances;

and references to an increase in net receipts shall be construed accordingly.

(8) In this section—

“proceeding giving rise to compensation” means —

(a) except in relation to compensation under section 279(4), the particular action (that is to say, the decision, order, extinguishment of a right, imposition of a requirement or acquisition) in respect of which compensation falls to be assessed, as distinct from any development or project in connection with which that action may have been taken;

(b) in relation to compensation under section 279(4), the circumstances making it necessary for the apparatus in question to be removed or re-sited;

“the appropriate Minister's certificate” means such a certificate as is mentioned in section 16 of or paragraph 3 of Schedule 3 to the Acquisition of Land Act 1981.

Enforcement in respect of war-time breaches of planning control by the Crown

 Law In Force

302.— Enforcement in respect of war-time breaches of planning control by the Crown.

- (1) This section applies where during the war period—
- (a) works not complying with planning control were carried out on land, or
 - (b) a use of land not complying with planning control was begun by or on behalf of the Crown.
- (2) Subject to subsection (4), if at any time after the end of the war period there subsists in the land a permanent or long-term interest which is neither held by or on behalf of the Crown nor subject to any interest or right to possession so held, the planning control shall, so long as such an interest subsists in the land, be enforceable in respect of those works or that use notwithstanding—
- (a) that the works were carried out or the land used by or on behalf of the Crown, or
 - (b) the subsistence in the land of any interest held by or on behalf of the Crown in reversion (whether immediate or not) expectant on the termination of that permanent or long-term interest.
- (3) A person entitled to make an application under this subsection with respect to any land may apply at any time before the relevant date to an authority responsible for enforcing any planning control for a determination—
- (a) whether works on the land carried out, or a use of the land begun, during the war period fail to comply with any planning control which the authority are responsible for enforcing, and
 - (b) if so, whether the works or use should be deemed to comply with that control.
- (4) Where any works on land carried out, or use of land begun, during the war period remain or continues after the relevant date and no such determination has been given, the works or use shall

by virtue of this subsection be treated for all purposes as complying with that control unless steps for enforcing the control have been begun before that date.

(5) Schedule 15 shall have effect for the purpose of making supplementary provision concerning the enforcement of breaches of planning control to which this section applies and the making and determination of applications under subsection (3).

(6) In this section and that Schedule—

“authority responsible for enforcing planning control” means, in relation to any works on land or use of land, the authority empowered by virtue of section 75 of the 1947 Act or of paragraph 34 of Schedule 24 to the 1971 Act (including that paragraph as it continues in effect by virtue of Schedule 3 to the Planning (Consequential Provisions) Act 1990) to serve an enforcement notice in respect of it or the authority who would be so empowered if the works had been carried out, or the use begun, otherwise than in compliance with planning control;

“the relevant date”, in relation to any land, means the date with which the period of five years from the end of the war period ends, but for the purposes of this definition any time during which, notwithstanding subsection (2), planning control is unenforceable by reason of the subsistence in or over the land of any interest or right to possession held by or on behalf of the Crown shall be disregarded;

“owner” has the same meaning as in the Housing Act 1985 and “owned” shall be construed accordingly;

“permanent or long-term interest”, in relation to any land, means the fee simple in the land, a tenancy of the land granted for a term of more than ten years and not subject to a subsisting right of the landlord to determine the tenancy at or before the expiration of ten years from the beginning of the term, or a tenancy granted for a term of ten years or less with a right of renewal which would enable the tenant to prolong the term of the tenancy beyond ten years;

“tenancy” includes a tenancy under an underlease and a tenancy under an agreement for a lease or underlease, but does not include an option to take a tenancy and does not include a mortgage;

“war period” means the period extending from 3rd September 1939 to 26th March 1946;

“works” includes any building, structure, excavation or other work on land.

(7) References in this section and that Schedule to non-compliance with planning control mean—

(a) in relation to works on land carried out, or a use of land begun, at a time when the land was subject to a resolution to prepare a scheme under the Town and Country Planning Act 1932, that the works were carried out or the use begun otherwise than in accordance with the terms of an interim development order or of permission granted under such an order;

(b) in relation to works on land carried out, or a use of land begun, at a time when the land was subject to such a scheme, that the works were carried out or the use begun otherwise than in conformity with the provisions of the scheme;

and references in this Act to compliance with planning control shall be construed accordingly.

(8) References in this section and that Schedule to the enforcement of planning control shall be construed as references to the exercise of the powers conferred by section 75 of the 1947 Act or by paragraph 34 of Schedule 24 to the 1971 Act (including that paragraph as it continues in effect by virtue of Schedule 3 to the Planning (Consequential Provisions) Act 1990).

- (a) the area mentioned in paragraph 3(1)(a) consists of or includes the neighbourhood area, and

- (a) a person carries on activities on land on or after 30 January 2020 otherwise than in accordance with—
 - (i) planning permission, or
 - (ii) any other permission of a kind specified by the Secretary of State by regulations, and
- (b) as a result of the activities the biodiversity value of the onsite habitat referred to in paragraph 5(1) is lower on the relevant date than it would otherwise have been,

the pre-development biodiversity value of the onsite habitat is to be taken to be its biodiversity value immediately before the carrying on of the activities.

Where planning permission is granted in respect of land which is registered in the biodiversity gain site register under section 100 of the Environment Act 2021, the pre-development biodiversity value of the land is the total of—

- (a) the biodiversity value of the onsite habitat on the relevant date, and
- (b) to the extent that it is not included within that value, the biodiversity value of the habitat enhancement which is, on that date, recorded in the register as habitat enhancement to be achieved on the land.

(1) In relation to any development for which planning permission is granted, the post-development biodiversity value of the onsite habitat is the projected value of the onsite habitat as at the time the development is completed.

(2) That value is to be calculated by taking the pre-development biodiversity value and—

(a) if at the time the development is completed the development will, taken as a whole, have increased the biodiversity value of the onsite habitat, adding the amount of that increase, or

(b) if at the time the development is completed the development will, taken as a whole, have decreased the biodiversity value of the onsite habitat, subtracting the amount of that decrease.

This is subject to paragraph 9.

(1) This paragraph applies in relation to any development for which planning permission is granted where—

(a) the person submitting the biodiversity gain plan for approval proposes to carry out works in the course of the development that increase the biodiversity value of the onsite habitat, and

(b) the planning authority considers that the increase is significant in relation to the pre-development biodiversity value.

(2) The increase in biodiversity value referred to in sub-paragraph (1) is to be taken into account in calculating the post-development biodiversity value of the onsite habitat only if the planning authority is satisfied that the condition in sub-paragraph (3) is met.

(3) The condition is that any habitat enhancement resulting from the works referred to in sub-paragraph (1)(a) will, by virtue of—

- (a) a condition subject to which the planning permission is granted,
- (b) a planning obligation, or
- (c) a conservation covenant,

be maintained for at least 30 years after the development is completed.

(4) The Secretary of State may by regulations amend sub-paragraph (3) so as to substitute for the period for the time being specified there a different period of at least 30 years.
