

CAPACITY ALLOCATION MECHANISM (CAM)
MARKET DEMAND ASSESSMENT
FOR
INCREMENTAL CAPACITY AT INTERCONNECTION POINTS
17th June 2019

Dear Industry Colleague,

In accordance with UNC European Interconnection Document (EID) section E 2.1.1.1 (Biennial Process), interested parties may submit demand indications for Interconnection Points to National Grid NTS for a window period of 8 weeks, starting from the date that the Annual Yearly Auction Opens.

Therefore, National Grid Gas Transmission will publish on the 1st July 2019 to all interested industry parties an Expression of Interest document to facilitate the submission of Market Demand Indication requirements for Incremental Capacity at Interconnection Points. Publications will be on our website at <https://www.nationalgridgas.com/connections/reserving-capacity-parca-and-cam>

The key dates for the Market Demand Assessment Process are as follows:-

Date	Activity
Expression of interest for Market Demand Indications document published	1 st July 2019
Market Demand Indication Window Open	Duration 8 weeks
Market Demand Indication Window Closes	26 th August 2019
Market Demand Assessment Report published to Industry	no later than 21 st October 2019

If you have any questions concerning the above, please contact Nicola Lond using the details below.
