**National Gas are currently in a Network Gas Supply Emergency as detailed in the recently issued NEC Declaration to Industry**

**Below is a notice of direction as required by the Gas Safety (Management) Regulations 1996. It contains very important information and should be read carefully before carrying out any action.**

**GAS SAFETY (MANAGEMENT) REGULATIONS 1996**  
**REVOCATION OF DIRECTION TO STOP USING GAS PURSUANT TO REGULATION 6(4)**

The GS(M)R direction notice to cease using gas issued on: **DD/MM/YYYY** is hereby withdrawn

National Gas Transmission, as the conveyor of gas in the network connected to your premises, hereby informs you that you may resume the consumption of gas at gas supply point(s) on your premises .

**Shippers will be advised of the direction notice withdrawal, you should submit new OPN to reflect any demand change**

Thank you for your co-operation.

This withdrawal of the direction notice is provided by the Network Emergency Coordinator

If you wish to contact the NEC or National Gas Transmission, please use the numbers allocated to you on the NEC External Contact list.

This situation will be continually reviewed and you will be updated accordingly. Further information may be obtained from the website at <https://www.nationalgas.com/safety-and-emergencies/network-gas-supply-emergencies-ngse>

Upon being informed of a change in the Network Gas Supply Emergency the recipient must brief all relevant personnel as to the existence and nature of the emergency.

If you have received this fax by accident, please notify the sender immediately by telephone so that we can arrange for return of the original.
