The EPC Guidance needs to be seen by licensees as soon as possible in order that the obligations of this condition can be fully assessed and understood. The consultation document indicates that the document is expected to be published in December 2020. We would welcome sight of the EPC Guidance as soon as possible and in any event no later than the date of publication of the statutory consultation on the licence modifications giving effect to the Final Determinations</li> <li>It is not clear why the ECP guidance document is being produced as a separate document and not as part of the licence condition itself</li> <li>Issue log provided in relation to this condition by Ofgem is blank – is this correct?</li> </ul> |
